

TUI guests have voted: The Top 100 of the best hotels worldwide

- **The Top 100 are selected through careful evaluation of feedback provided by TUI hotel guests**
- **All hotels are eligible for a category award at the TUI Global Hotel Awards 2024**

Hanover, 28 February 2024. Ahead of the annual TUI Global Hotel Awards on 4 March in Berlin, the world's leading tourism company is announcing the Top 100 of the best hotels in its global portfolio.

“We are thrilled to announce the best 100 hotels worldwide. This is an exceptional achievement, considering we offer more than 13,000 hotels from Lapland to South Africa and from the Caribbean to Hawaii. What I am most proud of is that this list is entirely decided on by the ultimate holiday experts - our guests. To our hotel partners, thank you for leading the way and congratulations on being among the very best hotels in the world. Along with the whole TUI-team, I am looking forward to celebrating excellence at the award ceremony in Berlin next week” says David Schelp, CEO Markets & Airlines at TUI Group, who took over this role on January 1st, 2024.

The TUI Global Hotel Awards is an annual award ceremony where TUI, on behalf of its more than 19 million guests worldwide, recognize and celebrate the hotels in its portfolio which have delivered outstanding service and quality during the past year.

“Our guests are at the heart of everything we do. We value their feedback and also the effort put in by our hotel partners worldwide. The top 100 hotels are selected through careful evaluation of guest feedback, and each year we make it a priority to honour and celebrate the passion and dedication it takes to create the world's finest hotel experiences. We take great pride in having such exceptional partners”, says Helen Caron, Group Product & Purchasing Director.

These are the Top 100 hotels in TUI's portfolio worldwide:

The complete list of the top 100 hotels can be found at tuigroup.com. This list is not presented in any particular order or ranking, but is grouped by location.
