- Empowering consumers
- Driving certification
- Green tech & data-driven
- Net-zero travel accelerator

TUI Care Foundation Long-term Programmes

Youth and Education

The TUI Academy programme provides education and practical training for vulnerable young people and opens up new career opportunities in tourism. The TUI Junior Academies empower children to become environmental ambassadors in their communities.

Natural Environment

The TUI Care Foundation's nature programmes focus on safeguarding the beauty of holiday destinations by using resources more efficiently, protecting the marine environment and promoting animal welfare with a focus on turtle and elephant protection.

Economic Development

The TUI Cares programme supports innovative tourism entrepreneurs with a clear social and environmental mission. It aims to protect a destination's cultural and gastronomic heritage, strengthen local added-value and employment and drive the sustainable development of the local tourism sector.

Corona Response Activities

Supporting communities in holiday destinations badly affected by the crisis

100 Helping Hands
Support for 100 local aid
organisations in holiday
destinations

Providing communities in holiday destinations with food and hygiene packages

COVID-19 Relief Programme for Tourism

Empowering 150 innovative tourism businesses in four countries with financial support, individual mentoring and business training

The work of TUI Care Foundation is made possible by donations from TUI guests and employees worldwide
